

Dear TCS Families,

We are excited to announce that we will continue to participate in the TCS Raiseright program (formally known as Scrip). Just by purchasing items you would have normally purchased anyway, we raised over \$3000 for Trinity and our parent's tuition this past year!!

Raiseright is just another way to pay for everyday items using gift cards in place of cash, debit cards, and credit cards, and as a bonus you build up rebates to help pay next year's tuition **or lunch bill**. Remember, Raiseright isn't just for families with kids at Trinity. It's for grandparents, aunts & uncles, community members, friends - for anyone! We have families already earning towards their kids who will start attending in the next few years using our Future Families program.

Each company selects the percentage they give back. There are nearly 1,000 companies involved in the Scrip program already - Walmart 2.5%, Target 2.5%, Kohl's 4%, Menards 3%, Kwik Star 4%, Subway 6%, Lowes 4% & Visa gift card 1.25%, just to name a few.

In addition to the 1,000's of businesses who participate we have local businesses participating too - **This year we are excited to announce the addition of Polashek's Locker at 5%!** We will continue with The Fort at 10% as well as Fareway and HyVee at 3%! If you have a local business connection that you would like to see added please let us know.

For example: I purchase a \$100 gift card through the Raiseright website for Kwik Star Grocery or a physical card order for The Fort. Both offer a 10% rebate. I get \$10 back - \$5 goes to the school, and the other \$5 goes towards my next year's tuition.

To get started, go to www.raiseright.com to register for an account.

You should also download the easy to use RaiseRight Fundraising app to your phone.

Enter the Enrollment code – 5684L35468998

Fill out your info and you will be set to purchase your cards.

Our regular ordering schedule for physical cards during the school year is on the first and third Friday of every month.

This has been a great fundraiser for our school and as the program progresses, we will continue adding area businesses to our TCS Scrip program. If you have business suggestions let one of the coordinators know.

If you have questions, you can email us at TCSScripProgram@gmail.com.

Thank you for your time and consideration. God Bless!

TCS Scrip Committee

Coordinators – Kayla Hackman, Kristi Reicks
